Group classes can have a maximum of 7 students, but the most usual is that the groups do not exceed 3 members. Even if you were the only one enrolled in your course, it would not be a problem because you could start classes alone (without paying anything extra) until someone shows up, that is, your class would be open for future enrollments. We make sure that each member has a similar level to their classmates, the above is so the experience can be the best for you.	<ol style="list-style-type: none">1.
